

G-Jo Point No. 20

Between the crown of the *inner* ankle and the tip of the heel. The spot that is most pressure-sensitive may be relatively large, compared to other G-Jo points.

G-Jo Point No. 24

Just behind the bony prominence located to the rear of the smallest toe, on the outside edge of the foot.

G-Jo Point No. 38

On the top of the hand, midway between the rearmost knuckles and the wrist; in the valley between the third and the smallest fingers.

G-Jo Point No. 40

On the most prominent crease of the *inner* wrist, in line with the middle finger.

G-Jo Point No. 57

On the *inner* portion of the leg, just below the level of the kneecap, in the concave depression just above the calf; in line with the crown of the *inner* ankle.

G-Jo Point No. 56

Just behind the corner of the fingernail of the index finger, on the side closest to the thumb.
